## A BILL

To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Revolutionary War and  
5 War of 1812 Battlefield Protection Act of 2003”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) The battlefields of the American Revolu-  
4 tionary War and the War of 1812 provide a unique  
5 means for the people of the United States to relate  
6 to these epic struggles in the history of the United  
7 States and to understand their importance in the es-  
8 tablishment and early development of the United  
9 States.

10 (2) Urbanization, suburban sprawl, and un-  
11 planned commercial and residential development are  
12 constantly encroaching on many of the nationally  
13 significant battlefields of the American Revolu-  
14 tionary War and the War of 1812, as well as on as-  
15 sociated sites, and this encroachment poses a severe  
16 and growing risk to the preservation of such battle-  
17 fields and related sites.

18 (3) According to the Revolutionary War and  
19 War of 1812 Historical Preservation Study, pre-  
20 pared by the National Park Service, and dated Sep-  
21 tember 2003, of the 825 principal nationally signifi-  
22 cant battlefields and associated sites of the Amer-  
23 ican Revolutionary War and the War of 1812—

24 (A) thirteen percent are lost;

25 (B) thirty percent are fragmented or in  
26 poor condition; or

1 (C) twenty-seven percent may be destroyed  
 2 or impaired within the next ten years, and nine  
 3 percent of this percentage figure are in immi-  
 4 nent danger of damage occurring within the  
 5 next three years.
